Financial Planning for Your Parents

Parents often need their children's financial help in their later years.

Managing finances in the face of chronic ailment can be extremely challenging, and may require children's assistance. Such challenges also raise questions about children's own plans for aging, inheritance, and other inter-generational matters.

Financial Advisor James Lugannani will lead an interactive forum discussing strategies to effectively navigate these challenges.

Friday, August 13, 4:00-5:30 pm
Mountain View Library Community Room
585 Franklin Street
Mountain View, CA 94041
